Message: The new federal law signed 01 July 2000 regarding "527", took me by surprise. The only way I found out was through a friend who is a tax preparator. She knew because she subscribes to a monthly periodical which reviews & updates subscribers of changing tax law. As a relatively new treasurer, I unfortunately do not know a lot beyond state laws.

I am still unsure if we, DPLC, really need to file or not. I've tried calling 1-877-829-5500 all day, but have only to report a busy signal. Therefore, erring on the side of caution, enclosed please find a copy of our paperwork. I have also filed an electronic copy.

I was wondering, could you send me a complete set -- packet -- of everything I might need to know as a new treasurer? Information regarding "527" & tax codes, deadlines, laws, forms, etc that I should know and have for our records? Like I said above, I'm not sure if or how much is necessary. I don't, at this time, anticipate the need to file further forms at the end of the year. But I can't seem to get our old pc to download very well the full text or forms from your site. It keeps freezing the whole computer (especially when I try to open a form or even just save it as a document on the hard drive). What are the computer and software requirements to successfully download information and/or view the website? Anyway, I am still ignorant of current requirements and new requirements.

Thank you for all your help and your kind attention! I greatly appreciate it! If you need to talk with me, please leave a message at DPLC and the office volunteer of the day will forward it. Or, you can send an email to DPLC (dplc@efn.org) or my personal email account (register_2_vote@yahoo.com). My personal email account doesn't have much space. Thank you again!
